House Appropriations Request FY 2010

Project Name: Carolina Theatre of Greensboro
Recipient: Carolina Theatre of Greensboro
Recipient Address: 310 South Greene Street

Recipient City: Greensboro
Recipient State: North Carolina
Recipient Zip: 27410

Amount of Request: \$137,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

The Carolina Theatre of Greensboro is an 81-year old theater that is listed on the National Register of Historic Places. The Theatre functions as a community performing arts venue and serves over 800,000 people in the region. The main portion of the theater roof is in dire need of repair and the requested funding would be used to add a historically accurate metal roof. The metal roof replacement would preserve the structural integrity of the historical property and would prevent water damage to the plaster walls and moldings throughout the building.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
